

Cookie Policy

Cookies are small text files stored on your device when you visit our website. They help us enhance your user experience.

1. Use of Cookies:

- Essential cookies are necessary for basic site functions.
- Performance cookies help us understand site usage.
- Functional cookies enhance your experience.

2. Managing Cookies:

- You may disable cookies through your browser settings. However, some features of the site may not function properly.

By continuing to use this site, you consent to our use of cookies as described in this policy.
